

*Think higher*

## Objectives

By the end of this program, participants will have:

- Increased mastery of grammar
- Improved pronunciation
- Enhanced written and verbal skills
- Achieved the confidence and skills necessary to pursue a major course of study at the university level.

The basic daily ESL curriculum for all levels is as follows:

- Reading comprehension
- Grammar
- Writing
- Speaking and pronunciation

## Think Higher

SHU understands what students need. Siena Heights University ESL Program contains a strong TOEFL/MELAB component. All courses have been designed to have TOEFL preparation embedded within course content. Students are prepared to enter the university and be successful in university coursework.

## Admission Requirements

The English as a Second Language Program is for those whose first language is not English.

Participants must be willing to participate actively in discussions and individual/group activities and attend class on a regular basis.

All participants will be given a placement test upon enrolling in the program to ensure that they are placed in the appropriate level.

Siena Heights University offers ESL students who successfully complete the ESL program direct admission to its academic programs at both the graduate and undergraduate levels. ESL students can also earn academic credit for successfully completed higher level ESL classes.

*Think higher*

## Welcome to Siena Heights University!

All of us at SHU are ready to help you in any way we can as you begin your English and university academic experience in the United States.

Siena Heights University is located in Adrian, Michigan which is a beautiful, small Midwestern town. People here have close connections with one another. SHU staff, faculty, and administrators are dedicated to building a platform to help students reach their goals. SHU gives you wings to success!

What's more is that there are lots of activities for students. Music, sports, games, trips, and events . . . whatever you want, just follow your interests!

## Why Siena?

Our ESL Program consists of seven levels of English, from beginners to high advanced. We conduct placement testing for all new students so they can be placed in the appropriate skill level. Instructors are experienced and well-versed in the

communicative method of teaching ESL. Ours is a student centered classroom where we emphasize speaking and listening skills. Our instructors act as facilitators and our students do most of the talking. In the classroom, we organize small group ESL learning activities based on task and proficiency based exercises.
