**Why do I need to attend a New Student Registration Day?**
You will gain many benefits from attending one of these important days. You will meet student leaders, other incoming freshmen, faculty, staff and your academic advisor. You will register for classes; learn about campus resources and activities on campus and have your picture taken for your student ID card.

**Do I have to stay the entire time?**
Yes! The day begins promptly at 9:00 am and ends at 3:00 pm. Please arrive a few minutes early for check in.

**What if I cannot attend the Registration Day I originally signed up for?**
Please contact the Advising Office immediately at (517) 264-7613 or rteater@sienaheights.edu to select an alternative date. Advisors are coming in specifically to see you so it is important that we let them know ahead of time that you are unable to attend.

**Will my parents/guardians be with me during the Registration Day?**
Your parents will be with you for part of the day. We have a number of sessions that are designed specifically for students. During these programs, parents will be in programs designed specifically for them.

**Can I bring a friend?**
No, we do not encourage you to bring a friend or boyfriend/girlfriend. At this time we ask you to focus and learn about opportunities that await you at Siena Heights University.

**Do I need to bring any money with me on Registration Day?**
There is not a charge for registration day, but if you have not submitted your housing deposit (and will be living on campus) then you should bring $100. Lunch and refreshments are also provided at no cost to you and your family.

**Do I need to take any placement tests?**
No, freshmen are placed into English and Math courses based on ACT scores and courses completed in High School.

**What if I change my mind on the courses I scheduled?**
You will receive your advisor’s name and contact information. If you change your mind or have questions contact your advisor to discuss the courses in question.
