Siena Heights University
Bachelor of Arts: Multidisciplinary Studies
Guide Sheet for Students Transferring from JCC to SHU

The major in multidisciplinary studies is designed for students with several years of college experience in a variety of academic disciplines. The major requires 15 semester hours of credit in each of four areas: Arts & Humanities, Natural Science and Mathematics, Social & Behavioral Science, and Applied Science & Professional Studies.

JCC students can transfer in up to 90 semester hours so long as they complete 15 of their major hours at Siena Heights at the 300/400 level distributed over 3 of the 4 categories. Students must also fulfill their liberal arts studies requirements and residency requirement of 30 semester hours at the 300/400 level. Students should contact Sara Johnson at (517) 264-7185 for a personalized transfer plan.

Arts & Humanities (15 semester hours required)
Art, Communication Arts, English, Foreign Language, History, Music, Philosophy, and Religious Studies

Natural Science & Mathematics (15 semester hours required)
Biology, Chemistry, Computer and Information Systems, Physical Geography, Geology, Mathematics, Physical Anthropology, Physics, and must include one approved Lab Science.

Social & Behavioral Science (15 semester hours required)
