STUDENT'S NAME: _____ **ID#** _____

You have notified this office that you and/or your spouse have special circumstances, which have resulted in a reduction in resources for calendar year 2012 and will affect your ability to contribute toward your educational expenses.

The office will only consider reductions in income for the circumstances listed in Section I of this form. It is our policy **not to consider** a reduction in income for the following:

- Voluntary termination of employment.
- Unusual expenses related to personal living (e.g. wedding expenses, credit card bills, home mortgage or school loan payments, car payments, legal expenses, other miscellaneous consumer item expenses).
- Families with reductions processed in 2011-2012 who grossly underestimated 2011 income.
- One year bonus incomes such as lottery or gambling winnings.
- Reductions in overtime pay (this will be reflected on the following year's aid applications).
- Reductions in income resulting from bankruptcy proceedings.
- Medical expenses other than those claimed as a deduction on your 2011 federal tax returns.

C. Independent Student's Income Information to Be Verified

1. TAX RETURN FILERS—**Important Note:** If you (or your spouse, if married) filed, or will file, an amended 2011 IRS tax return, you must contact your financial aid administrator before completing this section.

Instructions: Complete this section if you, the student, filed or will file a 2011 income tax return with the IRS. *The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to FAFSA.gov, log in to your FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2011 IRS income tax information into your FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about when, or how to use the IRS Data Retrieval Tool see your financial aid administrator.*

Check the box that applies:

- I, the student, have used the IRS Data Retrieval Tool in FAFSA on the Web to transfer my (and, if married, my spouse's) 2011 IRS income information into my FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. *Your school will use the IRS information that was transferred in the verification process.*
- I, the student, have not yet used the IRS Data Retrieval Tool, but I will use the tool to transfer my (and, if married, my spouse's) 2011 IRS income information into my FAFSA once I have filed my 2011 IRS tax return. *See instructions above for information on how to use the IRS Data Retrieval Tool. Your school cannot complete the verification process until your (and, if married, your spouse's) IRS information has been transferred into your FAFSA.*
- I, the student, am unable or choose not to use the IRS Data Retrieval Tool in FAFSA on the Web, and I will submit to the school **2011 IRS tax return transcript(s)**—not photocopies of the income tax return. *To obtain an IRS tax return transcript, go to www.irs.gov and click on the "Order a Return or Account Transcript" link, or call 1-800-908-9946. Make sure to request the "IRS tax return transcript" and not the "IRS tax account transcript." You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when your 2011 IRS tax return was filed). It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you are married and you and your spouse filed separate 2011 tax returns, you must submit tax return transcripts for both you and your spouse.*
- Check here if an IRS tax return transcript(s) is attached to this worksheet.*
- Check here if IRS tax return transcript(s) will be submitted to your school later. Verification cannot be completed until the IRS tax return transcript(s) has been submitted to your school.*

2. TAX RETURN NONFILERS—Complete this section if you, the student (and, if married, your spouse), will not file and are not required to file a 2011 income tax return with the IRS.

Check the box that applies:

- The student (and, if married, the student's spouse) was not employed and had no income earned from work in 2011.
- The student (and/or the student's spouse if married) was employed in 2011 and has listed below the names of all employers, the amount earned from each employer in 2011, and whether an IRS W-2 form is attached. Attach copies of all 2011 W-2 forms issued to you (and, if married, to your spouse) by employers. *List every employer even if the employer did not issue an IRS W-2 form. If more space is needed, attach a separate page with your name and SSN at the top.*

Employer's Name	2011 Amount Earned	IRS W-2 Attached?
Suzy's Auto Body Shop (example)	\$2,000.00	Yes

Appendix 1

IRS Tax Return Transcript Request Process

Tax filers can request a transcript, free of charge, of their 2011 tax return from the IRS in one of three ways.

Online Request

- Available on the IRS Web site at www.irs.gov
- In the **Online Services** section of the homepage click “Order a Tax Return or Account Transcript”
- Click “Order a Transcript”
- Enter the tax filer’s Social Security Number, date of birth, street address, and zip or postal code. Use the address currently on file with the IRS. Generally this will be the address that was listed on the latest tax return filed. However, if an address change has been completed through the US Postal Service, the IRS may have the updated address on file.
- Click “Continue”
- In the **Type of Transcript** field, select “Return Transcript” and in the **Tax Year** field, select “2011”.
- If successfully validated, tax filers can expect to receive a paper IRS Tax Return Transcript at the address included in their online request, within 5 to 10 days from the time the on-line request was successfully transmitted to the IRS.
- IRS Tax Return Transcripts requested online cannot be sent directly to a third party by the IRS.

Telephone Request

- Available from the IRS by calling 1-800-908-9946
- Tax filers must follow prompts to enter their social security number and the numbers in their street address. Generally this will be numbers of the street address that was listed on the latest tax return filed. However, if an address change has been completed through the US Postal Service, the IRS may have the updated address on file.
- Select “**Option 2**” to request an IRS Tax Return Transcript and then enter “**2011**”.
- If successfully validated, tax filers can expect to receive a paper IRS Tax Return Transcript at the address that was used in their telephone request, within 5 to 10 days from the time the IRS receives the request.

- IRS Tax Return Transcripts requested by telephone cannot be sent directly to a third party by the IRS.

Paper Request Form – IRS Form 4506T-EZ

- IRS Form 4506T-EZ should be used instead of IRS Form 4506-T because it is sufficient to request an IRS Tax Return Transcript.
- Download at <http://www.irs.gov/pub/irs-pdf/f4506tez.pdf>
- Complete lines 1 – 4, following the instructions on page 2 of the form. Note that line 3 should be the most current address as filed with the IRS. It is the address where the IRS Tax Return Transcript will be sent. If the address has recently changed, include the address listed on the latest tax return filed on Line 4. However, if an address change has been completed through the US Postal Service, the IRS may have the updated address on file.
- Line 5 provides tax filers with the option to have their IRS Tax Return Transcript mailed directly to a third party by the IRS.

Institutions are responsible for notifying aid applicants whether to list the institution as the third party to receive the Transcript or not. Some institutions may have difficulty matching a parent's incoming IRS Tax Return Transcript to the aid applicant, as the two names may be different.

- On line 6, enter “2011” to receive IRS tax information for the 2011 tax year that is required for the 2012-2013 FAFSA.
- The tax filers (or spouse if requesting information from a joint tax return) must sign and date the form and enter their telephone number. Only one signature is required to request a transcript for a joint return.
- Mail or fax the completed IRS Form 4506T-EZ to the appropriate address (or FAX number) provided on page 2 of Form 4506T-EZ.
- Tax filers can expect to receive their transcript within 5 to 10 days from the time the IRS receives and processes their signed request. NOTE: Processing form 4506T-EZ means verifying/validating the information provided on the form. If any information does not match the IRS records, the IRS will notify the tax filer that it was not able to provide the transcript.
